Titles were awarded in the Open, Limited and Retro divisions with scoring based on time and accuracy, where time penalties are accrued for misses and shots outside the x-ring.

Louis Surgi finished the 12 stage course of fire in 4<sup>th</sup> Place with a time of 677.94 seconds while Aaron Surgi posted a final time of 804.23 to capture 5<sup>th</sup> Place. ### About ICORE

The International Confederation of Revolver Enthusiasts (ICORE) was founded in 1991 by Mike and Sharon Higashi, two longtime shooters active in all the handgun sports. Envisioned as an alternative to the race towards ultra-customized pistols that was occurring in the other action shooting sports, the revolver-only competition of ICORE would allow even the most basic equipment to be used and still provide enjoyment and satisfaction.
