Visit Secure Firearm Products at booth #1606 during the SHOT Show and register to win a high security rifle case.

One lucky winner will receive a top of the line Secure Firearm Products rifle case, valued at more than \$550, simply for stopping by and registering. The winner need not be present at the time of the drawing.

While you're at the booth, check out Secure Firearm Products shotgun, handgun, tactical and rifle cases with their new easy-to-use, push-button locking system. And don't miss their new target systems, which provide a variety of exciting shooting practices for recreational and competitive shooters.

Make sure you pick up an electronic press kit while you're at the booth. If you'd like to schedule an appointment or test any of the Secure Firearms Products for an editorial review before the SHOT Show, contact Joe Wieczorek of The Media Group at joe@themediagroupinc.com or call (847) 956-9090.

Also, while at the show, you can take advantage of Secure Firearm Products SHOT Show Special of 10 percent off dealer cost and make sure to ask about their dealer incentives.
